## LA EMPRESA

H. & H. Idrospania Technic S.L., empresa especialista en equipamiento para sanitarios e instalaciones de evacuación, está dotada de las mejores tecnologías y posee una amplia experiencia. El equipo humano que la compone está altamente cualificado y dedicado a asegurar la calidad a todos los niveles, siempre en las mejores condiciones técnicas, de seguridad y medioambientales.

Nuestro objetivo es la obtención de un producto fiable, duradero y que se pueda instalar y utilizar de una forma sencilla. Gracias a ello, contamos con un gran abanico de clientes en todo el mundo que han depositado su confianza en nosotros y son fieles a la marca que les ofrecemos, **idrospania**

Por otro lado, a nivel nacional contamos con un extenso equipo de representantes que le proporcionará una atención personalizada.

La filosofía de la empresa se centra en la satisfacción y la confianza del cliente, asumiendo los retos técnicos que sean requeridos y procurando un servicio ágil.

DEPARTAMENTO ADMINISTRATIVO

ENTRADA PRINCIPAL

## MEDIO AMBIENTE

La política medioambiental va dirigida principalmente al consumo eficiente de agua. Para ello, se ofrece una amplia gama de productos que ofrecen la posibilidad de interrumpir la descarga, o bien elegir una descarga de 3 o de 6 litros, dejando el control de consumo y el ahorro en manos del usuario final.

## FABRICACIÓN

Todos los productos están fabricados con materiales de alta calidad.

La empresa dispone de máquinas de inyección de plástico de última tecnología en nuestras instalaciones de Burriana para la fabricación de las piezas plásticas.

### PLANTA DE INYECCIÓN

## CALIDAD

H. & H. Idrospania Technic S.L., cuenta con avanzada maquinaria de comprobación que permite a nuestro personal verificar el correcto funcionamiento de todos nuestros productos, adicionalmente, se realizan ensayos de fatiga para garantizar la perdurabilidad de los mismos.

### PLANTA DE CONTROL DE CALIDAD

## DESARROLLO E INNOVACIÓN

La empresa cuenta con un departamento de I+D+i en el que se estudian las mejoras que se pueden aplicar a nuestros productos de modo que se aumenten sus prestaciones, así como la optimización de los procesos productivos y de los materiales utilizados. Además, se diseñan y desarrollan nuevos productos que cumplan con las especificaciones exigidas por mercados y clientes.

## CERTIFICADOS DE CALIDAD

Mandaté par AFNOR Certification

### CERTIFICAT

#### COMPOSANTS SANITAIRES

Le CSTB atteste que les produits, mentionnés en annexe, sont conformes à des caractéristiques décrites dans le référentiel de certification de la marque NF 076 après évaluation selon les modalités de contrôle définies dans ce référentiel.

En vertu de la présente décision notifiée par le CSTB, AFNOR Certification accorde à :

**La société H.&H. IDROSPANIA TECHNIC, S.L.**  
Parque Empresarial carabona  
Avda. L'argent Parcela M-3  
ES-12530 Burriana (CASTELLON)

**Usine de ES-12530 Burriana (CASTELLON)**

le droit d'usage de la marque NF COMPOSANTS SANITAIRES pour les produits objets de cette décision, pour toute la durée de validité et dans les conditions prévues par les règles générales de la marque NF et le référentiel mentionné ci-dessus.

Décision d'admission du 13/02/2013  
Décision de reconduction n° 236-U1-13/2 du 28 mai 2013

Cette décision annule et remplace la décision n° 236-U1-13/1 du 13 février 2013

Sauf retrait, suspension ou modification, ce certificat est valable pendant 15 mois. La liste des certificats en cours de validité est tenue à jour et disponible sur le site internet : [www.cstb.fr](http://www.cstb.fr)

#### CARACTÉRISTIQUES CERTIFIÉES

Les produits bénéficiaires du droit d'usage de la marque NF COMPOSANTS SANITAIRES possèdent les caractéristiques minimales exigées par les normes suivantes, éventuellement complétées par les spécifications techniques :

NF 076 - DOC TECH 3  
NF EN 14-124 & NF EN 1717 & NF 076 - DOC TECH 2

# DESCARGADORES

## EQUIPAMIENTO WC

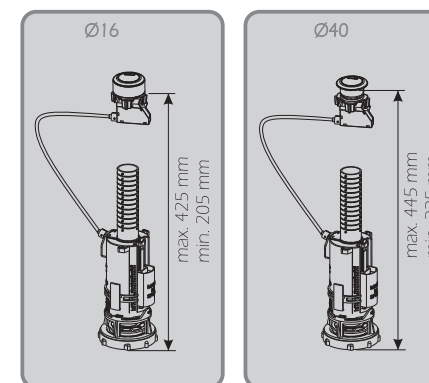

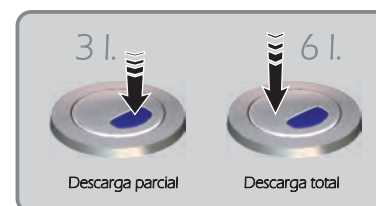

**FÁCIL Y RÁPIDA INSTALACIÓN**

El sistema de cable facilita el montaje

**DOBLE PULSADOR CON CABLE**

**UNIVERSAL**

Cubre todas las excentricidades de las cisternas

**ADAPTABLE AL SISTEMA TRADICIONAL ROCA**

**ADAPTABLE AL SISTEMA ROCA ACTUAL (BASES GRIS Y BLANCA)**

**1.- REGULACIÓN DESCARGA PARCIAL**

La boya en la posición más alta indica menor descarga parcial, MÁS AHORRO

**2.- REGULACIÓN DEL RESIDUAL**

Posición 1: Residual mín. / Posición 4: Residual máx.  
Residual: Cantidad de agua restante después de la descarga total

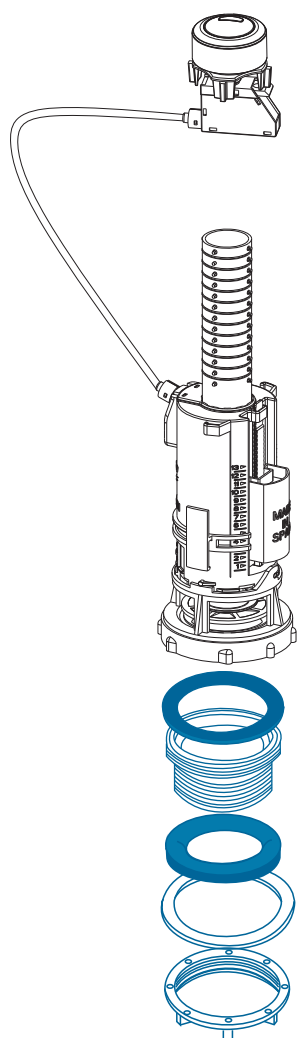

## DESCARGADORES

Grifo flotador telescópico compacto  
alimentación inferior cierre por pistón

| Cod.         |            | € |    |
|--------------|------------|---|----|
| <b>20600</b> | BOLSA      |   | 60 |
| <b>20601</b> | CAJA       |   | 24 |
| <b>20602</b> | BLISTER    |   | 30 |
| <b>20622</b> | CAJA EXPO. |   | 20 |

**Características Técnicas:**

Presiones de trabajo desde 0,5 a 10 bar.  
Resiste picos de presión hasta 12 bar.

Rápida instalación.

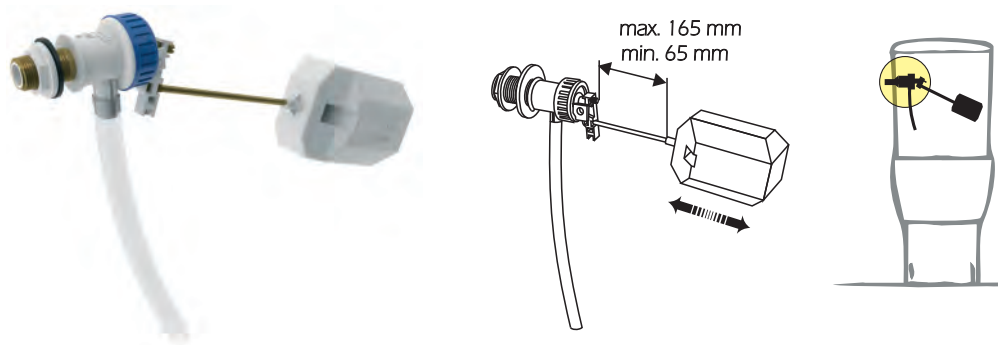

Compatible con todas las cisternas  
cerámicas.

Fabricado con polímeros plásticos de alta  
calidad y anticalcáreos.

## PRESENTACIÓN DE PRODUCTO

### EXPOSITORES

Expositor de producto material en caja

Cajas expositoras

\*Se suministra únicamente con la base de rosca

Expositor de bases

Expositor de tres piezas

# CONDICIONES GENERALES

### **PRECIOS**

Los precios reflejados en nuestra tarifa son los recomendados de venta al público y expresados en euros.

Precios válidos salvo error tipográfico.

Este catálogo/tarifa anula a los anteriores.

Idrospania se reserva el derecho de poder cambiar su política de precios en cualquier momento con su correspondiente preaviso.

### **IMPUESTOS**

Serán aplicados en factura, sobre los precios indicados en nuestra tarifa, los impuestos pertinentes de acuerdo con la ley vigente.

### **PEDIDOS**

Los pedidos deberán ser remitidos por escrito, ello supone la aceptación por parte del cliente de todas las condiciones generales de venta.

### **ANULACIONES DE PEDIDOS**

Las anulaciones al igual que los pedidos deberán ser remitidas por escrito, no admitiendo las mismas cuando la expedición del material haya sido realizada.

### **PORTES PAGADOS**

Para los pedidos por importe superior a 350 euros (base imponible) para península/baleares y 1000 euros para las Islas Canarias, el transporte será por cuenta de IDROSPANIA.

### **EXPEDICIONES**

La mercancía viaja por cuenta y riesgo del comprador.

### **EMBALAJES**

El material se servirá en la forma de embalaje establecida por IDROSPANIA en cada una de la forma reflejada en nuestros códigos del catalogo/tarifa vigente.

### **PLAZOS DE ENTREGA**

Los plazos de entrega establecidos se consideran a modo orientativo, sin aceptar de modo alguno, reclamaciones por algún posible retraso del envío.

### **GARANTÍA**

El periodo de garantía de nuestros productos es de 5 años, desde la fecha de compra del comprador, siempre y cuando el material haya sido mantenido e instalado de forma correcta con la normativa vigente.

Queda limitada la reposición de material que nuestro departamento de control de calidad no considere como defectuosas.

Idrospania no se hace responsable de los daños que directa o indirectamente pudieran dar lugar los defectos en sus productos, si los mismos han sido manipulados o si se utilizan siliconas o cualquier otro tipo de sellador industrial que puedan dañar a nuestros productos.

### **CONDICIONES DE PAGO**

El pago será efectuado en las condiciones pactadas con el comprador y en los plazos estipulados con el mismo.

### **DEVOLUCIONES DE MATERIAL POR ACUERDOS COMERCIALES**

Las devoluciones de material, deberán realizarse a través de nuestros agentes comerciales bajo la autorización y condiciones pactadas. No se admiten devoluciones de material de producto descatalogado sea cual fuere su estado.

### **RESERVA DE MODIFICACIÓN**

IDROSPANIA se reserva el derecho de poder cambiar sin previo aviso, el diseño de todos sus productos.

### **COMPETENCIA JURÍDICA**

Ambas partes se someten a la competencia de los Tribunales y Juzgados de Castellón.
